

## **DELTA Secondary Academy Games 2020**

As part of a growing competition calendar within the trust we are delighted to confirm the date of the annual DELTA Academy Games and once again would like to thank DELTA for their support of this event.

This year's athletics competition will take place on **Thursday 2nd July 2020 at the EIS Sheffield, S9 5DA.**

**The competition is split into U13 boys, U13 girls, U15 boys and U15 girls competitions**

Teams should arrive no later than 9:30am to register ready for a 10:00am start, schools will depart by 2.30pm. There is no limit to the amount of pupils in a team however please see rules below.

### **Competition**

**All teams can enter 1 competitor per event.** Competitors can take part in a maximum 3 individual events plus 1 relay. The events that make up the competition are attached to this letter.

There will be a trophy presented to the overall winning school. Please be aware that the track events are timed races, there will be no heats and finals, therefore competitors are not just aiming to win their individual race but are running to get the fastest time amongst all competitors in the event.

Vale & Manor Croft academies are the current holders!

### **Identifying Teams**

Competitors are invited to compete in their school colours however these may be the same or like another school, therefore we ask that schools make their own cards with their school's initial(s) on to pin onto their team members' shirts to make the task of identifying competitors easier.

Many Thanks

Jonny Allan: Head of Operations, Active Fusion.
