

# LEVEL 3 COMMUNITY SPORTS HEALTH OFFICER

## Commitment:

- **Choose from your team** – graduates or training assistants who fit the criteria.
- **Employ a graduate** – or choose from a selection of graduates to meet the needs of your schools.
- **Enrol your staff member** – Ensure all relevant paperwork is completed and sent to Active Fusion. Candidates will undertake a maths and English functional skills test online.
- **Mentor** – Assign a member of staff in your school to contribute towards their development.
- **Training** – They will undertake a large proportion of the work remotely and through distance learning.
- **Nurture** – See them up skill your existing staff, raise morale and improve productivity.
