SUMMER STAYCATION 2020

Kirk Sandall Infant School

Camp Report

THANK YOU

A sincere thank you from all of our team for making this summer one to remember for all the right reasons. Seeing children improving their physical, mental and social skills, but above all seeing them smile again. I will never forget one mum saying 'thank you for giving me my son back'. We have all had a part to play in this from Doncaster Council, the host schools, parents and carers, our team of staff, volunteers and apprentices but most of all, the children.

Lindsay James, Director

PROJECT SUMMARY

What was Summer Staycation?

The Doncaster Summer Staycation was a Doncaster Council project which saw local organisations deliver FREE activities and sessions, both virtually and face-to-face, for children during the summer holidays.

The project saw Active Fusion deliver summer camps, which were spread across seven different locations in Doncaster, throughout the summer holidays.

Our Summer Sports Camps, which saw 446 children attend, included a variety of sports and physical activity sessions for children to take part in throughout the week.

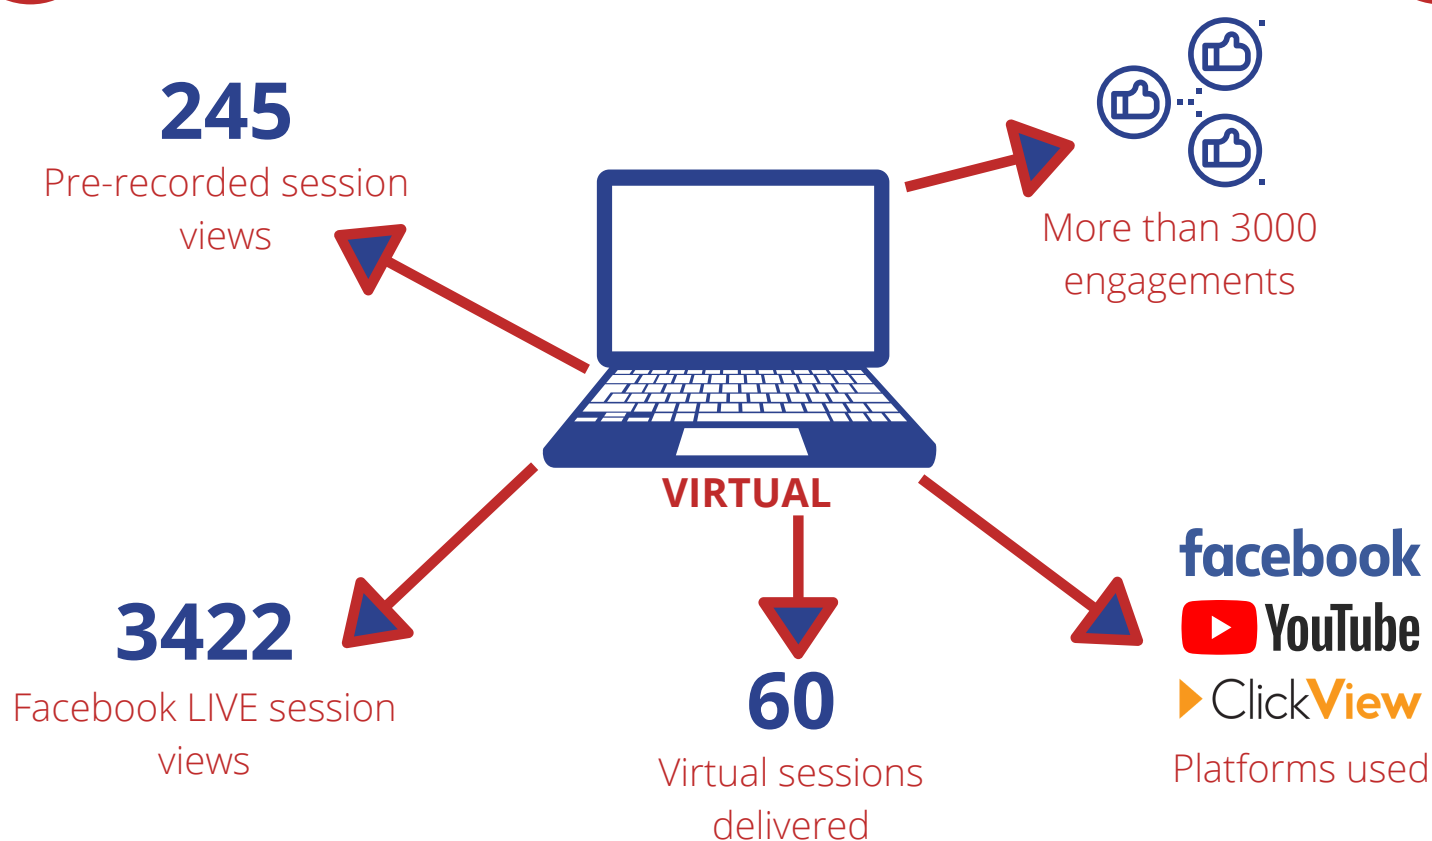

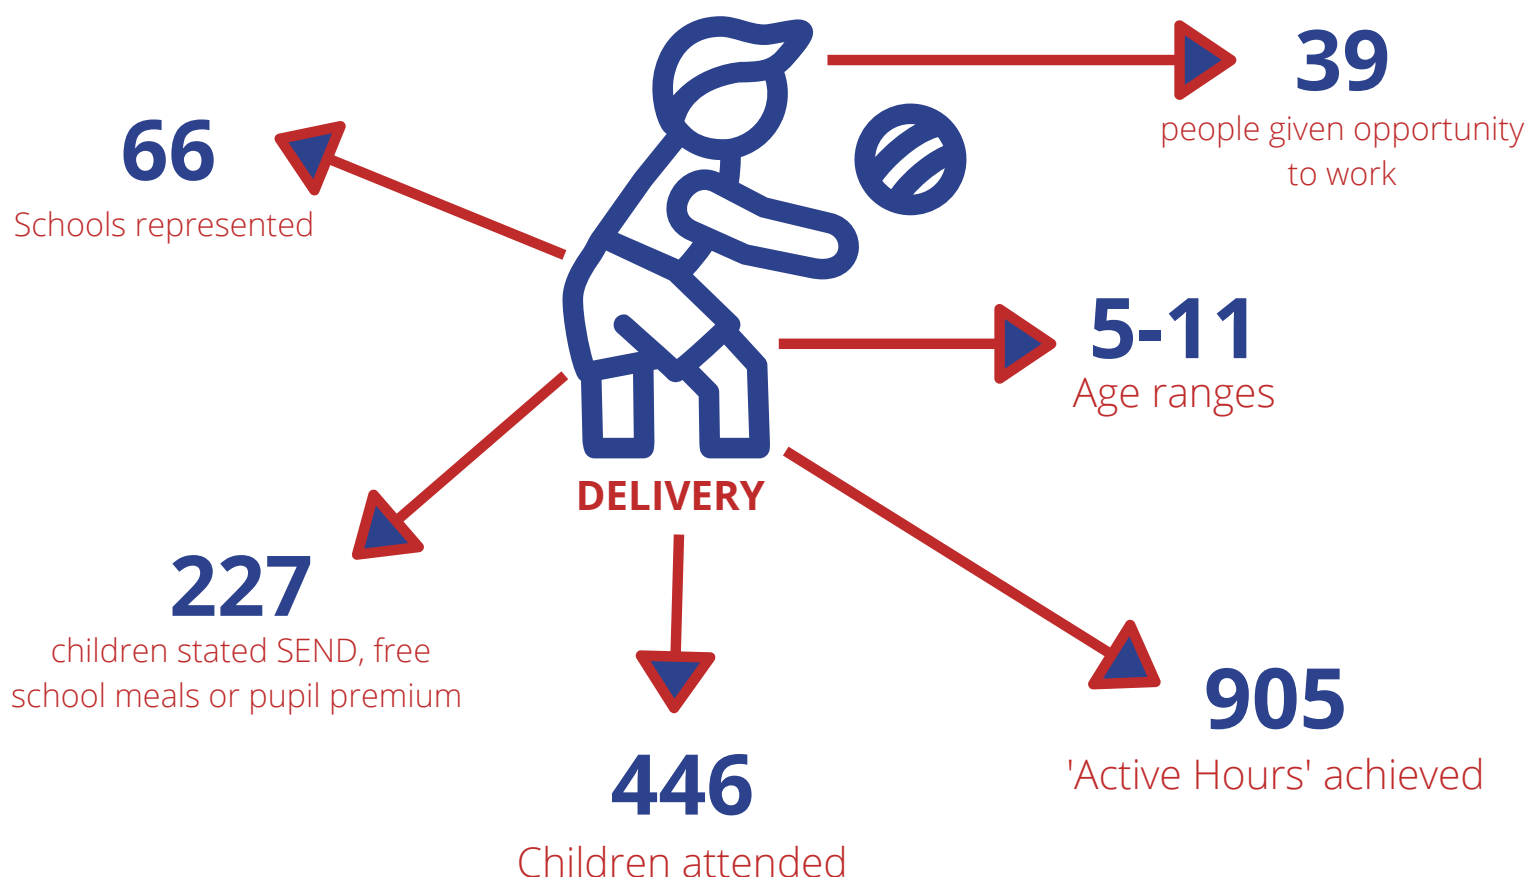

Children were also able to access learning resources and ideas for keeping active at home such as our PE Parent pack.

"Our Summer Sports Camps saw 446 children attend."

SUMMER STAYCATION

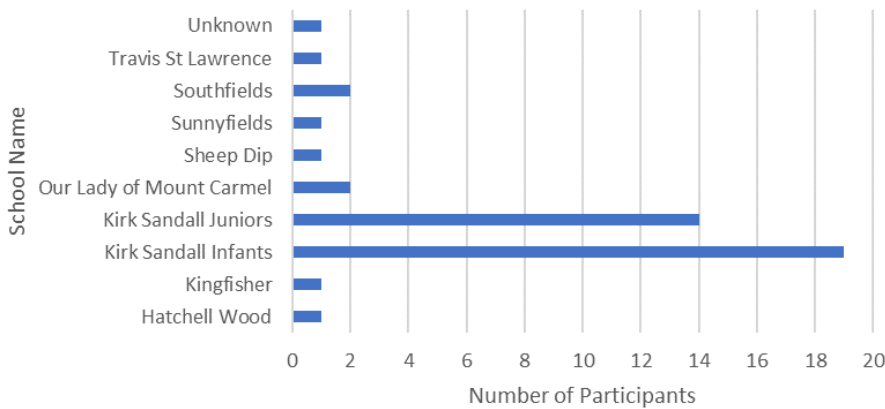

What was achieved this summer?

FIGURES FROM KIRK SANDALL CAMP

What was achieved at Kirk Sandall?

Number of Pupils per Individual School

→ 9

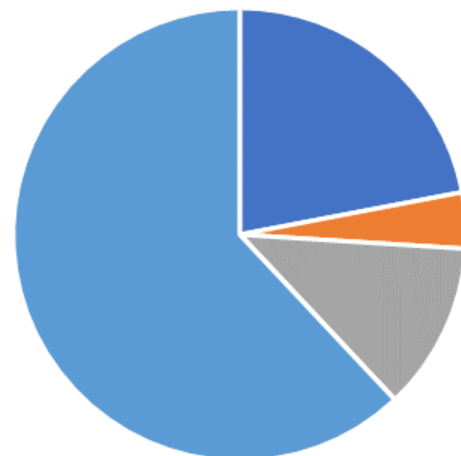

different schools represented

Summary of Attendees Disadvantage Status

28% ←

stated disadvantaged status

- Free School Meals
- SEND
- Pupil Premium
- Prefer not to say
- None

37.5

hours of physical activity

50

sessions delivered

69%

attendance

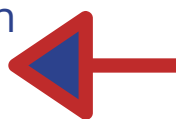

43

different children

IMPACT ON YOUR PUPILS

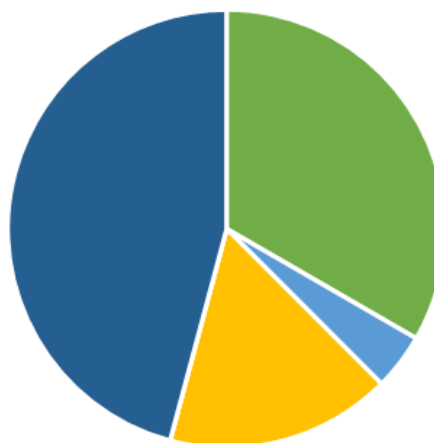

The Kirk Sandall Infant Effect

19 of the **43** children who attended go to Kirk Sandall Infant School.

Kirk Sandall Infants Pupils Disadvantage Status

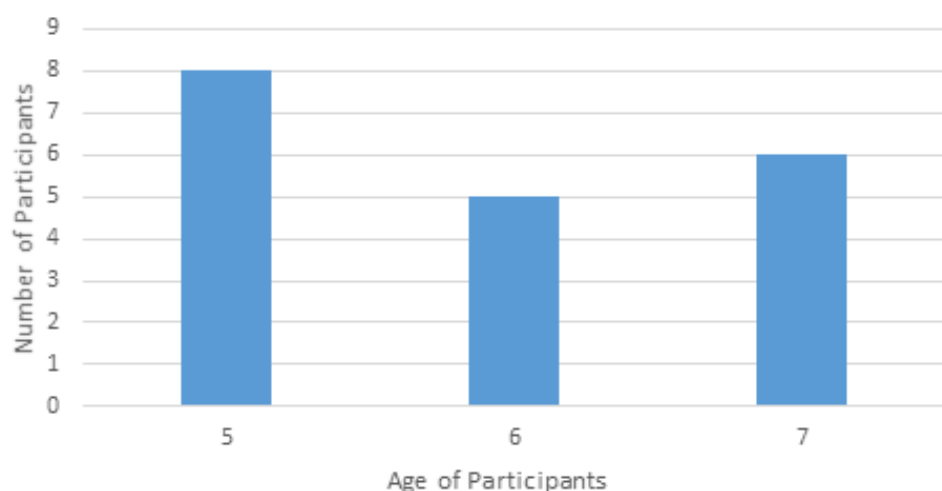

- Free School Meals
- SEND
- Pupil Premium
- Prefer not to say
- None

13 of the **19** children stated at least one disadvantage status.

Age Breakdown of Kirk Sandall Infants Pupils

ages of children ranged from **5-7**.

10 children were male; **9** were female

PARENT FEEDBACK

What it meant to your pupil's parents

100%

of parents said that the coaches met the needs of their children

85%

of parents said that camps made their children more active

100%

children enjoyed their time on camp

100%

of parents said their children enjoyed socialising with other children

85%

of parents said their child's mental health was improved

"Thank you for offering this. This year it has been even more welcome after so long of no socialisation and limited exercise. My daughter has absolutely loved it."

"My son had a great time and spoke very fondly of his time at the summer camp. He really enjoyed the opportunity to participate in a range of activities while socialising with other kids. The sports camp was well organised and supported by all involved. A great initiative."

"My children loved coming to camp and I can't thank Active Fusion enough for letting them be kids again."

"My girls enjoyed the variety of activities planned and kept them interested all day. They loved every minute of it."

HAPPY FACES ALL AROUND

The joy of seeing children smile again

Smiling can sometimes be taken for granted. But we all know that a children's smile can light up a room. It is fair to say their smiles lit up our summer camp - making it the most succesful camp we have ever ran.

Tara, whose children attended the Kirk Sandall camp, was glad to see her daughter come out of her shell on camp, which made her truly enjoy the experience.

She said: "The camp were ran really well, making sure all delivery was safe and with the children in mind at all times.

"My kids loved waking up early, going into the camp and greeting all the coaches each and every morning.

"They (the coaches) were amazing with my daughter and helped her with her inhaler which I appreciated very much. Also, the coaches helped her to come out of her shell a little bit more and really enjoy the camp.

"I loved seeing their happy faces in a morning excited to go, even though the weather was awful at times."

SUSTAINABILITY

What next?

Due to the COVID-19, the School Games programme has changed its delivery.

We are offering our support with virtual competitions, daily mile, national incentives and intra-school competitions throughout the academic year.

If you are interested in taking part in any events/competitions or want support in running events, please email your Schools Games Officer Hannah at hannah@activefusion.org.uk

We have loved working in your school and having the opportunity to engage with your pupils this summer and we know they have too!

Why don't we make time for a coffee to discuss ways that we could keep the momentum going!

Be the best you can be

HOSTING A CAMP

As identified from the parents who completed our feedback questionnaire:

96% said their children would attend camp again

and

100% said they would recommend Active Fusion summer camps

we would like to discuss the possibility of holding future camps at your site.

Please contact stephen@activefusion.org.uk if you would like to be a host site again!

THANK YOU

Kirk Sandall Infant School
