

Head/Governor Workshops

These workshops are specifically designed to meet the unique needs of headteachers and governors.

Workshop 1 – Featuring Dean Coomer from Chimp Management

10.35am-11.30am

In this engaging workshop, Dean will build upon the insights shared in his keynote address, exploring how senior leaders and governance teams can work collaboratively to bring the principles of the Chimp Mind Management Model to life. This approach will empower individuals and teams to become more resilient and capable, ultimately enabling them to perform at their best for the benefit of young people.

Spotlight Session

11:40am-12:20pm

The new Youth Strategy aims to harness the power of Physical Education and sport to tackle inequalities, placing a strong emphasis on empowering young people in decision-making processes. By putting young people at the heart of shaping policies and initiatives, the strategy seeks to improve opportunities for participation in sport and physical activity. This approach not only fosters inclusivity but also ensures that the voices of young people are heard, creating a more equitable environment where they can thrive and access the benefits of sport and physical activity.

Workshop 2 - Supporting Your Pupils' Mind Wellbeing

12:20pm-1:00pm

This workshop will delve into the Mind Matters Schools Programme, led by Hannah Dunn, Founder of Mind Wellbeing CIC. Hannah will guide you through the transformative impact this programme can have on the entire school community, staff, students, and parents alike.
