

Easter Fusion Camps FAQs 2025

Does my child qualify for a free place?

Children who are entitled to benefit-related Free School Meals and have a Unique Reference Number (URN) can access this camp completely free thanks to generous funding from the City of Doncaster Council. Children who aren't eligible for Free School Meals but are experiencing financial difficulty can also access this camp for free thanks to funding from Feeding Britain.

Where can I find my Unique Reference Number?

If your child is eligible for a free place at this camp then you will have received a letter from Doncaster Council dated 31st May 2024 with this number attached. If you cannot locate your URN please contact Doncaster Council.

My child does not qualify for a free place, can they still attend?

Of course, however, there is a small charge of £10.00 per child, per day to help us sustain our camps, cover staffing costs and ensure that camps are accessible for all children.

Why is there not a local camp in my local area?

Many schools were not able to accommodate due to building works and maintenance taking place over the Spring months. If you would like more information about why a camp is not being held at a specific venue, please contact remi@activefusion.org.uk

Will all children receive a free lunch at your Fusion Camps?

If your child has a FREE ticket (Free School Meals via Doncaster Council or a Free ticket through Funding Britain), lunch will be provided. However, if your child has a paid General Admission ticket, please ensure they bring their own lunch, as it is not included. We kindly ask all parents and guardians, regardless of ticket type, to provide their child with a refillable water bottle and pack any additional snacks or refreshments they might need. To ensure a safe environment for all participants, please avoid snacks containing nuts.

Easter Fusion Camps FAQs 2025

What can my child expect during Fusion Camps?

A bucket load of activities, every school holiday. With great value sports and creative arts to enjoy each half-term, we have plenty for your children to get stuck into in the school break! A more detailed agenda will be sent out to all booked parents/guardians prior to the camps commencing.

What does my child need to bring to camp?

Please provide your children with a packed lunch (if you have a paid general admission ticket), a refillable water bottle and any further snacks or refreshments that they may require. Please ensure that your child is dressed in clothing suitable for sporting activities.

My child has allergies or other requirements, how do I let Active Fusion know about this?

When completing the booking form, you will be asked to complete a participant form on behalf of your child where you will be prompted to provide details on allergies, dietary requirements, special educational needs and any other requirements unique to them.

Is my child allowed to bring their mobile phone to Fusion Camp?

Your child is allowed to bring their mobile to camp but we ask that they are switched off and put away during camp hours. This not only provides a safe environment for all attendees but also ensures that your child fully benefits from all that Fusion Camp has to offer.
